

Sponsorship Specific conditions

The specific conditions of the sponsorship are attached to the general conditions of Drums & Co.ch school.

Drums & Co.ch offers all students who are regularly enrolled in their school of music a reduction in their school fees for any sponsorship of a candidate / student who wishes to register for an individual or collective instrument course or a workshop at Drums & Co.ch. This offer is cumulative, it applies for each sponsorship.

The sponsor will receive a **20% discount** on all monthly amounts paid to the school by the sponsored.

To benefit from this discount, the sponsor must complete this form of sponsorship before the registration of the sponsored Drums & Co.ch and be up to date with its own payments.

This discount is valid without time limit as long as the sponsored person pays his school fees. The 20% discount to the sponsor's benefit applies monthly as a deduction from his monthly school fees. This reduction ends in the event of non-payment, termination of payments or departure of the sponsored school.

Example of sponsorship: Alexandre is enrolled in school, he pays 158 CHF monthly for a collective drumming class. He sponsors Maxime who, one month later, enrolls in an individual piano lesson for a monthly amount of 221 CHF. Alexandre will benefit from a reduction of 44, 20 CHF or 20% of the monthly amount paid by Maxime. Thus, for his collective drumming class, Alexander will only pay monthly payments of CHF 113.80.

The sponsored person has a PASS Drums & Co.ch valid for one year from the date of registration. This PASS Drums & Co.ch entitles you to free admission to all the workshops of the school, ie to this day: Instrument Workshops, Rock Choir, Karaoke and Phonetic Rhythmic Solfege.
